youth
off the streets®

1. GIVE A MONTHLY GIFT

By donating monthly you will make a lasting difference to homeless and disadvantaged young people. With your ongoing help we will be there for them for as long as they need us. Join our *Street Lights* program at <https://youthoffthestreets.com.au/donate-monthly/>.

It can be
as little
as \$20 a
month

2. LEAVE A GIFT IN YOUR WILL

Leaving a gift in your Will - no matter how big or small- allows us to better plan, develop and expand our programs with confidence in the future. For any enquiries, please ring our Bequests Officer on **02 9330 3530**.

3. FUNDRAISE FOR US

The opportunities are endless! Host your own fundraising event, like school raffles and BBQs, showcase your talents or even bake some yummy treats and raise funds at the same time. Find out more at <https://youthoffthestreets.com.au/support-us>.

4. BECOME A SCHOLARSHIP SPONSOR

Sponsoring a scholarship recipient is a life-changing way to help a young person overcome disadvantage and get closer to achieving their dreams. These kids have faced many challenges in their young lives, yet with your support can go on to achieve truly remarkable careers. Be part of their journey here: <https://youthoffthestreets.com.au/support-us/become-a-sponsor>.

5. GIVE A ONE OFF GIFT

The kindness of a one off gift is an easy way to lift homeless and disadvantaged young people out of crisis. It's your way of letting them know that they are worthy of a life that is better, brighter and happier. Donate at www.youthoffthestreets.com.au/donate

Donations
over \$2 are
tax-deductible

6. CELEBRATE IN A MEANINGFUL WAY

Celebrate an engagement, wedding, anniversary, birthday or any other special event with a donation to Youth Off The Streets, and give hope and a future to young people in need.
